FRIDAY, NOVEMBER 27, 1874.
 Since last report the foreign arrivals have been: C. H. British steamship Cytherea, from San Francisco, to N. B. Brown & Co.; 25th St. S. S. Reinder, from Panama; British whaling bark Andromeda, from the Orient; American whaling bark Andromeda, from do.; 25th, U. S. S. Tascara, from San Francisco.

The departure have been—224, Cytherea, for Auckland and Sydney; 25th, S. S. Brown, for New Bedford; 27th, D. C. Murray, for San Francisco.

The Marley, which was towed to sea this morning, carried a cargo, including whale bone and ivory transported from wharves valued at \$125,000.

Mr. Baxton held a two-days' sale at his rooms on Wednesday and Thursday, on account of Messrs. Hoffschlager & Co., at which a large stock of dry goods, etc., was quoted at fair rates.

REMARKS.—Our present prospects for a good crop of grain are very light and insignificant. XXX wheat having all been cut out at 100 bushels. The Hay Refinery continues to supply the market with its superior California and Lead, while the California Refinery sends the trade with Cane, Crushed, etc. There is quite an active demand for all white refined and for dark grades for refining in light and medium amounts. We quote Hawaiian grocery grades at 7 1/2 @ 10 1/2.

REMARKS.—There is rather more inquiry.
